### **QUOTE OF THE DAY**

"I start a picture and I finish it." – Jean-Michel Basquiat

"No art passes our conscience in the way film does, and goes directly to our feelings, deep down into the dark rooms of our souls." – Ingmar Bergman

"I am out to sing songs that will prove to you that this is your world and that if it has hit you pretty hard and knocked you for a dozen loops, no matter what color, what size you are, how you are built, I am out to sing the songs that make you take pride in yourself and in your work." – Woody Guthrie

"What the world thought made little difference. Rembrandt had to paint. Whether he painted well or badly didn't matter; painting was the stuff that held him together as a man. The chief value of art, Vincent, lies in the expression it gives to the artist. Rembrandt fulfilled what he knew to be his life purpose; that justified him. Even if his work had been worthless, he would have been a thousand times more successful than if he had put down his desire and become the richest merchant in Amsterdam." – Irving Stone

"The only reason I would take up jogging is so that I could hear heavy breathing again." – Erma Bombeck
